“ My condolences to Mike's family and their friends. Steve and I were friends throughout High School and I knew his kid brothers, Mike and Mark but not as well. My brother, Jay Scheidt, was Mikes age and could've been writing this condolence but he passed on some years ago and I wanted Mike's family to know that even though life has a way of separating us (friends) from each other it doesn't diminish our love for the friends we grow up with because it seems to me that real friends, the ones we grow up with can never be forgotten or replaced. Mark, I lost your e-mail and the pictures you sent me re: Steve upon a computer hard drive failure. God bless you, Mark, and peace upon Mike.
