“ Scripture from Isaiah 41:10, 13 says, "fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand ... For I, the LORD your God, hold your right hand; it is I who say to you, "Fear not, I am the one who helps you."

Sharon, our prayers are with you and the rest of your family. Mike will be missed but take heart that the Lord is with you through this difficult time and cares for you.

“ *Sharon,
If it hadn't been for Mike's warm welcome to the ARK support group I probably wouldn't have kept coming to the meetings. He kept our group going you know. He was such a strong leader. I will miss him. The last time I talked with him was on the speaker phone with Ken, Jane Rice, myself and another person (sorry I don't remember who), it was at the end of one of our ARK meetings. He wanted to let us know that there's another Hepatitis C support group with IU Hospital, and wanted to say hello to everyone too. God Bless to you and your family.*

“ *I first met Mike when I leased office space in the Circle Tower Building in 1991. Of course all of the build-out was done by Mike in two locations there over the years. I've always considered him a fine craftsman and a very likeable person. My deepest sympathy to the family. Be assured we will all meet again one day.*

“ We are so sorry to hear of Michael's passing. Ron and Mike go waaaay back to the ole Warren Baseball Senior League All Star team that won State in 1986! Oh what fun we all had traveling with our boys and cheering them on to win State! Mike and Ron made a lasting friendship that will never end. Yes, it has been temporarily interrupted, but it will some day continue when they both are with the Angels (that might involve another baseball team!). We loved Mike. He was such a kind gentle spirit. We used to get together for lunch each and every year Mike and Sharon visited Fort Meyers. We would laugh, reminence, and talk of kids and grandkids! We will sorely miss those visits. May God bless and keep the wonderful Rickey family and may you always know that Mike is still with you but only in another dimension.

“ From the moment I first met Mike, at an ARK meeting, there was a kinship. And I had nothing to do with it. That was just Mike, always welcoming and best friends right from the start. Mike was definitely a people person. Many people battling Hepatitis C are better off for having met Mike. He was a compassionate leader that led the ARK Hepatitis C Support Group to new levels, but never for his glory. He was much happier sitting in the background...that is until a new face walked in, then he'd be the first to greet with a smile and a hug. Sometimes you meet a person that makes you better just because they're part of your life—Mike was that person for me! I'll miss you friend, but one day we shall meet again, never to part company.

“ *Your dad was a great man. He was always such a joy to be with and around. I never heard him complain about anything other than trying to get you and I to settle down from time to time. He was so generous and caring and would do anything for anybody and now he is at peace and no longer suffering.*
