“ Thank you grandpa for filling my childhood with so many wonderful memories. Thank you for choosing to love us even though we weren't blood related. You didn't have to but to opened your heart and arms to all of us, as did your beautiful mother. With your hearts of gold now you two can rejoice together in Heaven. You will forever be loved and missed.

Brian Schafer here,
I was quite saddened to just now hear from our mutual co-worker, Marty Stevens at My-Te Products, that Mike has passed. I had the pleasure and privilege of working with him from June of 2015, 'til June of 2020.
He was a great help to me there and hopefully I was able to lighten HIS day once in a while, too.
Advice to youngsters, especially,
"Don't wait too long to tell the people you care about, how you feel about them!"
(I'm STILL trying to learn it!)
