“ *I remember the first time I brought my son to stay the night with Mike and my sister 34 years ago when he was first born Mike would not let me get up to feed and take care of him through the night he did it. He was so happy to have his new nephew stay the night that's just one of many memories I have he was a great friend and brother in law he is missed and loved by many. Fly high and please tell Johnny my dad and sister I miss and love them too love you my friend.*
