“ I am sorry for your loss, also for not attending the memorial service Wednesday, unfortunately, I did not know of Michael's death until today, Friday, May 9. Please accept my sincere condolences. I would love to hear from Cathi, I was in her 1st and 2nd grade class at St. Bernadette's, I remember her, please share my email address with her. Thanks. ljones@uindy.edu

“ Hey buddy, your memorial service was nice. Patti and I blew a face shot of you up to an enormous size 20 X 30 so everyone could see your handsome mug! You would of been laughing your ass off over some of the things that were said during the sermon.....but it was nice. The singing of Amazing grace almost brought me to my knees Mike...was sitting there hearing those words and seeing your eyes in your picture.....man Mike...I miss you so very much. We all tried to make your memorial something that you would of planned...your obit sounded as if you had written it...the funeral home was in shock a little..said he had never printed one like it. Aunt Katy laughed out loud when I read it to her.Hope you are getting settled down in heaven and are now creating something really yummy up there. I am sure you can let God know that you could probably improve the pearly gates...have a more "functional" design. Love you Mike, your sister, Kelly

“ I am so sorry to hear of the loss of your loved one. May you find comfort in the words found at 2 Corinthians 1: 3, 4. Praised be the God and Father of our Lord Jesus Christ, the Father of tender mercies and the God of all comfort, who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we receive from God.
