“ It is with a heavy heart that we must say goodbye to our Niece Michelle, but we have delayed this far too long to say Michelle "our hearts are full of pain" as we recall some of the great memories have from when she was born too now. We must accept that you are in a better place as I look up and see your smiling face saying "uncle Harold it's OK". Too Bob and Diane and Scott please know that you are and have been in our thoughts..
