

Michelle Ann Stoneburner

February 25, 1944 - September 19, 2023

Michelle Ann Stoneburner, 79, of Franklin, Indiana, passed away September 19, 2023. She had put up a terrific fight against Parkinson's Disease, but it was a battle she could not win. She was born February 25, 1944, in Indianapolis to Alva E. and Mary (Oliver) Stoneburner. Michelle was a graduate of Manual High School. She received a bachelor's degree from University of Indianapolis and master's degrees from Ball State University and University of Kent, Canterbury, England.

Michelle began a career in teaching French at Cambridge City High School. Later she taught at Southport High School and then joined the faculty at her alma mater, University of Indianapolis. She retired in 2006 after 40 years of teaching.

Michelle was her own person, a social activist, and a student advocate. Her dedication to students extended beyond academics. She made herself available by listening to them when they needed a listener and guiding them through the cultural differences they encountered, creating friendships that lasted years.

Michelle and her husband, Floyd Satterlee, both enjoyed teaching and relaxing by spending summers at the cottage they built themselves on an island in Canada. There she would sew, quilt, read, and help Floyd make improvements to the island getaway. Michelle was as good and comfortable with a hammer as she was with a needle and thread.

Michelle and Floyd attended Roberts Park UMC in Indianapolis. There she

was a member of the book club and chancel choir. She and her husband traveled to Senegal as volunteers and to Guatemala with mission teams from Roberts Park.

A Celebration of Life service will be held Saturday, October 14, 2023 at 2:00 p.m. at Otterbein Senior Life Community, 1070 West Jefferson St, Franklin, with visitation one hour prior.

Michelle is survived by her husband of 47 years, Floyd Satterlee; sister, Terri Stoneburner (Richard Berens); cousin, Greg Meeks (Patsy); daughter-in-law, Lana Satterlee; and step-grandson, Glendon Satterlee. Preceding her in death were her parents; sister-in-law, Roxy Thomas; and stepson, Curtis Satterlee. In lieu of flowers, memorial contributions can be made to the University of Indianapolis or Rock Steady Boxing, Inc. Final arrangements and care are entrusted to Shirley Brothers Thompson Road Chapel.

“ I acquired my first home at the beginning of the year. To some, lottery players appear ridiculous, while we view it as a chance for an improved future. I'm known as Megan Taylor and I have played the lottery for ten years, yet I haven't won anything substantial. In my pursuit of understanding how to win better, I was advised to consult Lord Meduza the Priest who provided me with the precise 6 numbers that helped me secure the Mega Millions jackpot of \$277 million after using his spell powers and following his guidance. Lord Meduza services is top notch and I believe your dreams aren't finished unless you decide they are. Contact Lord Meduza the Priest, and he will assist you in realizing your aspirations..

“ Good Morning! My name is Justin Simporios from Canada. My daughter was unable to walk for several months after an accident that required her to have surgery. Because I haven't won the Lotto I've been playing for so long, I haven't been able to pay for the surgery. A friend online recommended Lord Meduza to me and he deserves a really, really big THANK YOU. This man chose to help me with a lottery spell and he gave me the precise numbers to play the Canada Lotto Max Lottery. After two weeks, I was proclaimed the winner of \$80 MILLION DOLLARS. Now, my daughter will be able to walk once more after so much time as her surgery is now completely funded. My victory marks the biggest win for a single ticket in Lotto Max history in Canada. I still can't believe it, Indeed there's none like Lord Meduza. Although if you want your EX LOVER back, he can help you too so get in touch with him right now.

“ I am Emma Hayes from New Jersey. My herpes virus turned to war after 4 years of living with it. I have tried different medical procedures to cure my herpes but to no avail. Most people think herpes is only a minor skin irritation of which herpes has long term effects on health and passes through the bloodstream and can be easily contracted through sexual intercourse. I knew I had herpes from the first day I started feeling itchy in my pubic area and the pain was very unbearable. I couldn't stand it anymore. After 2 years of trying other means to get rid of it, I had to contact Doctor Harry to help me with a permanent cure. I saw his email and Whatsapp number from a testimony I read online from a lady who was also helped by him in curing infertility problems, I had faith and contacted him on his email address drharrysolution@gmail.com He assured me of his work and I ordered his herbal medicine and got it through UPS and started using it according to his instructions and Within days, I didn't feel any pain anymore and within 3 weeks, my skin was all cleared and smooth, the sores in my pubic area all gone and healed i was so happy because of this shameful illness i lost my high school sweetheart and made me depressed so that's why i promised to share my testimony with everyone online to hear and experience this great healing, you are indeed a blessing to this planet and i will do my best to make sure you are known in the united states . I am very grateful to you sir and I write this testimony as others have done to bring those having faith to you sir. If you have herpes HPC stroke pile , small manhood size ,low sperm count, erectile dysfunction, lupus disease ,Hiv/aids , spiritual help of all kinds or other similar disease ,you want it cured, kindly contact Doctor Harry on his WhatsApp number +2349036417079 , Email him on drharrysolution@gmail.com OR website: <https://drharrysolutionhea.wixsite.com/healinghome> God bless you all as you contact him

“ Living with ALS has been one of the hardest challenges of my life. The muscle weakness, fatigue, and gradual loss of mobility were heartbreaking. Conventional treatments offered little more than temporary comfort, and I was starting to lose hope. That’s when I discovered NaturePath Herbal Clinic. Skeptical but desperate for relief, I decided to try their herbal therapy. To my surprise, by the fourth month, I began noticing steady improvements less muscle twitching, better coordination, and renewed energy. It wasn’t an overnight miracle, but the progress felt real. For the first time in a long while, I felt a sense of control returning to my body. Today, I move more freely, sleep better, and most importantly I feel hopeful again. This journey with NaturePath has been life changing. If you or someone you love is battling ALS or any other neurodegenerative condition, I genuinely encourage you to explore natural alternatives. You might be surprised at what’s possible. I’m truly grateful I gave them a chance. www.naturepathherbalclinic.com

“ You said:
I've been living with Parkinson's disease for quite some time, and for years, I struggled to find lasting relief. While medications offered some temporary help, the symptoms always returned and often worsened. Out of a mix of hope and hesitation, I decided to try an herbal treatment program from NaturePath Herbal Clinic. I'll admit, I was skeptical at first. But around the fourth month, I began to notice real, steady progress. My tremors became less frequent the stiffness in my body eased My balance and coordination gradually improved It wasn't an overnight transformation, but it was consistent and life changing. For the first time in years, I feel more in control of my body. I can move with greater freedom, sleep more peacefully, and enjoy daily activities without the constant discomfort I once accepted as normal. The improvement I've experienced physically, emotionally, and mentally has been nothing short of upliftings. If you're exploring natural options for managing Parkinson's, I wholeheartedly recommend looking into NaturePath Herbal Clinic. Their approach has made a real difference in my life, and I'm truly grateful I gave it a chance. www.naturepathherbalclinic.com

“ *I started out taking only Azilect, then Mirapex, and then dopamine for my Parkinson disease, as the disease progressed they didn't help much. A year ago I started on PD TREATMENT PROTOCOL from Aknni Herbs Centre (www.aknniherbscentre.com). One month into the treatment, I made a significant recovery, my symptoms were gone including tremors . It's been months since I completed the treatment, I am symptom free and I live a very productive life all thanks to Aknni herbs centre !!!*

“ I became acquainted with Michelle and Floyd when I was employed as the Alumni Secretary at (then) Indiana Central College (now UIndy)—also my alma mater—while Michelle and Floyd were both professors there. When they married, Michelle was known for being one of the few women in central Indiana to retain use of her maiden name of “Stoneburner,” rather than take Floyd’s last name of “Satterlee.” She was proud of her maiden name, and many of her family members were alumni of the college. Several years ago I was privileged to have visited their beautiful home in Irvington, which was known as “The Rock House.” Unfortunately, over the years I lost touch with them; however, I never stopped thinking about them and wondering how they were doing. I’m so saddened to learn of Michelle’s passing. My thoughts and prayers go to Floyd and their family. May Michelle rest in that eternal peace that only God can give.

Professor Stoneburner was my French instructor at Indiana Central University, now University of Indianapolis in the early 1980's. She was funny, kind, thoughtful and an excellent instructor. Sorry for your loss.
