“ *Had our ins and outs .. as all friends do .. but I don't regret not one second of our 20+ year friendship.. and although I'll never forget u , one things for sure ,I'll be reminded of u ever time I ever got to jail , (as I'm sure I still have a trip or two left in me) seeings how according to Marion county jail , David Michael Hilyard is my alias lol. True story , and for those of u who don't know , Mike allowed me to use his birth certificate/ SS card so I could have an ID made so I could get into the bars back when I was 20 years old .. long story short .. I got arrested on some BS and low and behold , that's the ID they found and booked me into the jail under his name .. it took him a while but he eventually had a good laugh about it ... many many good memories mike .. RIH mu friend .. ~TOMMY*
