“ *My dear friends, May God be with you during this time of a great loss to your family. I am so thankful that I was able to call Mickey "my great crusin' buddy friend". I feel so blessed to have known this beautiful lady. She touched my heart and soul from the first time I met her. What a spirited woman she was. I loved her warm smile and her great laughter. I know that she will truly be missed here on this earth, but I'm sure that her spirit is rejoicing with loved ones that went on before her. What a great reunion she is having! May we all continue to hold our memories of her so dear, knowing that we will all someday be together again.
Much love and prayers to all of you. Marti*

“ Our deepest sympathy to the family. Mickey was a wonderful lady and I am so glad to have met her and also call her "friend" . She had a heart as big as the moon and put in so many joyful hours of love at Christmas time so she could see the smile on the children's faces- all done with a smile on her face! She touched everyone's heart who knew her, including ours. May Mickey R.I.P. knowing how much she was loved. We will not be there in person but certainly in spirit. May God Bless you all as you go through this difficult time. Rejoice knowing she has crossed over to a much better place??
