Tribute Wall

“ *When someone treats you kindly, you appreciate it. But when they treat your family with kindness, that is so much more valuable.*

My mother Audrey lived across the street from Mildred for years. They supported each other emotionally after becoming widows. I will always feel gratitude for the unselfish friendship Mildred had with my mom. A beautiful person.

“ *I have known Mildred since I was a child. My grandma Audrey used live across the street from her & they were friends. I would hang out & watch the little mermaid over at her home when I was little. So blessed to have known her!*
