“ *Millie was the Chief Of Pharmacy at the Indianapolis VAMC when I graduated from pharmacy school in 1975. I will be eternally grateful for the leadership and opportunities she provided to me during my career at the VA. My sympathy goes out to her family. She was a inspiration to many.*

“ *While I served the VAMC as Chief of Staff and Cardiologist, Mildred ran our large and important pharmacy service helping to assure our veteran patients received the medications they needed for their treatment plan. She ran a tight ship and we in administration saw our pharmacy perform with outstanding service and patient satisfaction. As noted in her obituary, she was an outstanding manager receiving national recognition for her supervisory pharmacy skills!*
