“ *Myra was a very special friend to me back in the 60's. We met at East Gate church and had some great times together. Not many people will know what My- Ma- Ca-Ha means. That was on Harold's boat. Carol will remember. After some 50 years, I called her back in September. A very short conversation and I don't think she knew who I was. She disclosed she had cancer some years ago and now something different. I followed up with a letter with no response. At that point, I new and felt something was very wrong. I found this evening she was lost back in October. My heart is sad and feel for her husband and daughter. Myra was a special soul and I'm glad to have known her. I'm assured she is now at peace and on a new journey. Till we all meet again, God Bless.*

“ *So sorry to hear of Myra's passing. Life from the 'Jill Drive' days seem so long ago. Drove past our houses today, and it seems that not too much has changed. Please know that we are keeping you, Bill and Linda, in our prayers. Rick & Melody Kissling*

“ *We can't express how much we'll miss Myra. A meal with you and Myra, or memories of those 'oldies' groups, Myra's easy smile lit up the room. What a great person, a memory in itself. Thank you Lord for sharing her with us. Our condolences and Prayers are with you Bill and your family. Dave and Rita*

“ *Prayers being extended to all. I will miss Myra's smile and her sincerity. She was a truly amazing woman. God has other work for her to do now. (He probably wants her to weave him something).*
