“ *My grandma was a beautiful soul inside and out. She had a big heart and was so full of spunk. As a kid, I spent a good deal of time at her house and thus she put up with my shenanigans. Then when I was going through a tough time, she offered me a place to stay until I could get back on my feet. Additionally, I found my love for card games, playing with her, great-grandmother Leasor, and my mother and will cherish those memories always. Grandma was a blessing, and I am so thankful for the many moments I had with her and all she did for our family. Her strength and spirit will live on in all she touched. May she rest in peace. I Love you, Grandma. I will miss you.* ”

“ Myra, Jim and family are our beloved family cousins. We carry fond memories of good times together as young families living far apart, therefore making the most of too few visits. However, managing to stay in rather close touch for almost 70 years has been a true blessing, with modern technology now bringing our children even closer. Family ties are indeed precious. Our hearts and prayers are with Diane, Linda and all the extended family. Love and God Bless.

“ Oh my, the memories flood of all the years I have had the honor to know several members of this wonderful family! Myra, however, would always be at my home once a week with her Avon! We would spend hours talking as I leafed through her Avon books. I could always depend on her to deliver her order when I needed and loved the friendship we had shared. Catching up on the other family members was a treat as they too had been woven into my life quilt over the years. Myra was a caring and loving friend to all she knew. She will be dearly missed by all who knew her! Now , she can rest in peace with our Heavenly Father in heaven.

So glad that as you so perfectly put it that those memories become a permanent part of our life's quilt. Mom very much enjoyed her time with you and her life was enriched by having a great friendship with you.

“ *To my mom who raised me and a grandmother that spoiled me. To my grandparents that raised me and protected me from a potential bad life. To all my guardian angels that I speak to everyday with God, I love you always and forever. Amen*
