“ Nancy and I were good friends for many years. We met while working for Rockwell International many years ago. She was an outgoing and sweet person to be around. When she met and married Dan we didn't see each other very often. But did kept in touch taking on the phone to update each others lives. I will miss Nancy.. memories will be in my heart ❤️ until I meet her in heaven one day. RIP Nancy. You will be missed by all who knew you at Rockwell and your family who loved you dearly. My love to you in heaven.  
Yvonne.
