“ I am so sorry to hear this. I did not know Nate personally but I had interacted with him on several occasions at Kroger. The last being on the 20th of Oct. he always was so kind and would go out of his way to help, which he did on that last day I saw him. My heart hurts for his friends and family. May he RIP .

“ I had the pleasure to be Nate's teacher for the 4 years he attended HSE HS. My dept have all been reminiscing about how great of a kid he was and telling stories of how sweet he was to all. My favorite memory was that Nate always, and I mean always, wore shorts to school. No matter the winter weather in Indy, I knew Nate would be in shorts and he loved that I would constantly nag him about it.

Thank you for the kind words. You were instrumental in his high school life. He really stepped it up because of you and the help you gave him. You made things happen to benefit his high school success and he appreciated that. He always talked very highly of you. Thank you for always being there for him.

“ *Nate was always finding ways to make everyone's day better. There wasn't a dull moment when he was around. I knew when I went into work if I say Nate I knew it would be an interesting day. Whether it was talking about random nonsense on the radio or playing pranks on the managers, he was always making everyday more fun. He was an amazing person and he will be missed dearly*
