“ *I remember spending the summers with Aunt Nellie. She let me call her Mom and would rock me to sleep when I was small. I would play dog show out back and walk Stubby around the yard, then stop at the patio door and ring the doorbell and say "Avon calling" no matter what she was doing she would come to the door and make a pretend order. She always made me the best peanut butter and jelly sandwiches. I've never been able to make them with her secret ingredient, that's hers. She gave the best hugs and smelled good. I missed her alot after I moved away. I can't believe she won't be there when I come home again. I love you Mom, Aunt Nellie!!!*

“ *Aunt Nellie had loved and cared for everyone in our family. I remember her caring for me and my sisters, then my children as well as her own grandchildren. I believe we all felt her love. When Mom, her sister, was housebound with cancer, she came most every day and sat with her and cared for her. It meant so much to our family to have her there for our Mom. I hope she knows how much she has meant to us. She will always be remembered. Love you Aunt Nellie.*

“ I remember spending time with my cousin Julie at Nellie's house, and she always was so kind and sweet to me, always asking what we wanted to eat, making sure our bellies were super full! We had so much fun together at Nellie's house and I always looked forward to going over there! She is dearly missed
