“ Grandma I miss you. I miss the times we played with Legos, how you taught me to climb trees and filled my belly with the best vegetable soup. Our long walks and sitting on the porch playing games. Things will never be the same but I hope you are at peace with Grandpa.

Love,
Your granddaughter - Rachel

“ Jack and Nancy,

Sorry to hear about Auntie. Your mom wished to go to sleep and not wake up and now her wish has come true. No more suffering, pain or concerns, only peace and rest. A good, long life she lived and she was able to make it on her own well into her 80's. I believe her last visit to Virginia was in the late 90's and she remarked it would probably be her last. Aunt Nila wanted to see the home place and visit with relatives and friends. She and mother kept the post office in business with the frequent letters over the miles and probably began the letter writing in the 40's. I always thought the letters passed each other in route. Many were just post cards.

You and your families are in my prayers and thoughts.

Love, Carolyn

“ Aunt Nila was a joy to know as a person and a comfort to know. Always a lady and woman of faith, she was made of the same strong virginia stock of women as my own mother who were as tough as nails through life's trials with a soul as sweet as sassafras. She took care of my uncle coy unfailingly through alzheimer's for 7 years at home and went to the nursing home every day when he could no longer be home to care for him. She was a wonderful, mother, wife, grandmother and great--grandmother. She loved her family beyond all bounds. Besides being my aunt, i am proud that she was my friend and i will miss her greatly. uncle coy's pet name for aunt nila was george and now george, coy and little donnie are together again. we send our love and prayers across the miles to jack and nancy and the rest of the family. judy s.
