“ *Diane was a wonderful, loving wife and mother, sister and aunt to her family. I'm sad that after school we didn't keep in touch and just reunited in the past few years. I was hoping for more time with her. We will always remember her when our classmates get together to have our fun luncheons. So happy that she was able to come to them and we got to see her. Diane had a smile that would light up a room! We will miss her presence with us, but we will never forget her.* ❤️
