“ To the family of Norm Kleifgen: Cheryl and I are so sorry that we will be out of town and unable to attend the memorial service for my very good friend, Norm. I enjoyed eating lunch and talking about sports and grandchildren with Norm almost every day during our joint careers at INB. I remember him as a polite man and as a rascal at the same time. He and I played lots of golf together and he was responsible for my interest in family ancestral history. Most particularly, I appreciated the courtesy he showed to me and my wife during my recovery from a fall several years ago. I will not forget Norm but will remember him fondly. I am happy to make a donation to the Am. Heart Assn. in Norm's memory. Bob Schneider
