“ Absolutely love the pictures from the Shell station at 21st and Emerson. Norm took care of the community! Working on cars and always having the hot chocolate early in the morning! All the candy you could imagine. (Though we had to make it to Linder's for the video games.) It was a life saver for all of us working out of the nearby paper station. The big hill just north of the railroad tracks was a favorite destination for sledding. We'd always head to Norm's looking to get warm and buy a snack. What a great neighbor to all! Norm touched so many! A life well lived.

“ I remember Norman and Carol from the old neighborhood on the east side. We all went to School 54 then on to Tech. He grew up in a great family and we all had such good times together. Rest in peace.
