“ Our loss of a great man is helped by knowing he is now united with his love Barbara.  
He had a great run of 95 years but we will still miss.him. Until the end his mind was still sharp. As a neighbor and friend for 60 years it will not be the same not being able to talk or visit with him a couple times a week. Friends like the Dolls are rare jewels that only come around once in a life time. Goodbye good friend. Give Barbara a hug for us and tell her we think of her often.

“ From Jane Halstead, Lynn Edwards and Lori Edwards-Crook in Florida, we wanted to extend our deepest sympathy and love to the family of our most special uncle. We all wished we could have been there to celebrate Oscar's special life with all of you. He touched our lives so much and we remember all the special times we shared at family events and recently when Lynn and Lori were able to visit with Oscar during their trips to Indiana. He will be truly missed and in our hearts forever. To the family of Oscar, we love you and you are in our thoughts during this difficult time.
