“ Aunt Pam you were always full of energy and lived every minute of the day to the fullest. Looking back, our time together started when I was a teenager visiting Grandma and Grandpa on lake Freeman and continued later in life with all our families on lake Cumberland. Vacations on lakes seem to be a common theme of my time with you and I can't think of a better way to remember you. Rest In Peace. May God Bless you Uncle David, Katie and Evan.

“ Pam was a special lady! She started out years ago as a business acquaintance and over the years became a friend. Darlene Lowe and I have enjoyed meeting up with her when in the Indianapolis area. Pam had excellent work ethics, but also spoke often of her family and was very proud of them. So sorry for your loss and we will keep your family in prayer during this difficult time.

“ I enjoyed working with Pam for many years remotely and always tried to get together with her when we (Donna Ziegler and I) were in town for business. Pam had a great work ethic, was intelligent, compassionate yet firm, was ALWAYS on top of things and was phenomenal to partner with. She was always supportive of Donna and I in our business endeavors. We will truly miss having her in our corner and our visits with her. She was a special lady and will be greatly missed.

“ To Dave, Katie and Evan,

*Pam was part of my "work" family. I am better for having known her. She is missed. Pam was the definition of "tenacious" simply defined as: not easily stopped, continuing for a long time and very determined to do something.*

*Always on her team! Blessings for Peace.*

*I'm sorry to hear about the passing of Pam. I worked with her at Safeco in Work Comp, and sat near her for several years. She was such a go-getter! She gave me the book "90 Minutes in Heaven" when I left there, and it has always been special to me. God's Blessings to you all as you mourn.*
