“ Oh Momma, it's been 5 years that you've been gone. I miss you so much. I know your hands are untied and you're free of all the pain. Thank you for being an amazing mom, friend, confident, and my therapist. You and Dad gave Kristin and I a wonderful childhood. Oh Mom I wish you were here to meet my grand baby. You would fall in love with Ophelia. I love you so much and I think of your everyday. Until we meet again □□□□ Love you always, Brookie bear

“ *I cherish everyday I had with you mom. You weren't just my mom. You truly were my best friend. I could tell her anything and you would never judge me. Just would always give me that beautiful smile of yours and would say "Everything will work out Brookie. It always does". I love you so much Mommy and thank you for showing Kristin and I how to be kind to everyone, Treat people how you would want to be treated, understanding to all, and to have lots of patience. I know your watching over all of us. I love you mom and I will see you soon. Love you forever and forever, Brookie bear* □□
