“ *Pam will be truly missed by us. We have enjoyed her and Norb since we bought our home 6 1/2 years ago. She was always talking about the kids or grandkids and you just knew how proud she was of all of them. Pam was not just a neighbor but a friend and one we considered as family. Will truly miss seeing her on the patio reading her books and smoking a cigarette waving to us as we were coming and going. Her and Norb always had a great story to share of their life together and lots of laughter about one thing or another. Love you Pam!*
