“ *This is my dear sweat Nana. There are way too many memories I could share on here. Most of my memories all include my brother and my cousins. My Nana loved her "grand babies". She was a family woman through and through. she always wanted the best for us. It was tough being there the last few days as she took her last breaths on this earth before entering The Kingdom. I have peace in my heart knowing she is no longer in pain or dismay and is watching over us all, smiling, sending her love. I love you Nana <3*
