“ I remember the first day I met Pat at DFAS in 1989. My first year there. She was the kindest, most helpful person I knew. She had the biggest heart and soul. I have thought of her often since she retired. Pat, you are loved and will be missed!

“ Danny, Brian, and Timmy!
Your mom was so special. I always felt like she was an angel, but in human form. She radiated love, kindness, and the purest soul I think I've ever met. She gave you boys all she had to give. She loved deeply and sweetly. She will be greatly missed by everyone she touched.
With love and sympathy,
Annette

“ I am bless to know mrs fish as some of us called her. I met her back in 1984 when Brian and I played soccer at O. U. Thanging out with Danny from then on I was an adoptive son. She welcome me into the family with open arms. Some of the great memories is when she would make us sandwiches, the boys would take theirs and go while I sit and talk with her at the table. When she was in town and I would go by the house and see her beautiful and warm smile saying Tony what are you up to or when I pick her up to go and watch Brian coaching. Mrs fish you will be surely miss you. Love tony

“ Pat was my mother-in-law, my husband Mike preceded her in death. She was a wonderful mother-in-law, and I was truly blessed because not all mothers-in-law are as warm and welcoming as she was when I joined the family. I enjoyed all our in person visits and phone calls and wish we'd lived closer. We shared a love of church and volunteering and I always enjoyed hearing stories about “the boys” when they were young. She has now joined our Heavenly Father, my father-in-law John, husband Mike, brother-in-law Johnnie and other relatives and friends. Even as her memory slipped away she still remembered family facts, like all our birthdates. Rest in peace Pat, you will be missed.

Aunt Pat was the kindest sweetest aunt. From the time I was young until now all my memories of Aunt Pat are wonderful. She always had such nice things to say about everyone. She was 15 years older than me and told stories about me playing in her make up and as I got older, playing with my cousins. She was also very thoughtful and remembered birthdays and events. She loved all the kids and often sent cards with a small gift inside even to the great great nieces and nephews. She will be very missed. ❤️
