“ *I will never forget the week that I spent with my cousin Pat when the twins were born. I was 12 I think when I was sent there to "help" her. My first time away from home without my parents and my Mom had told me what to do to help her. I'm sure I was more trouble than I was worth but she made out like I was the greatest thing since sliced bread! I loved her and always looked up to her. Rest in Peace. Will see you again someday.* ”
