“ Duke and Deb - Carol and I were so sorry to hear of Pat's passing but, like you, can look back on many years of fond memories with her. She was as much a part of our family as any Maurice, and was always so kind to us (and our kids) when we would come home from California.

Here is a quote, from an unknown author, that I believe sums up my thoughts on your loss:

"When you speak of her, speak not with tears, for thoughts of her should be not be sad. Let memories of the times you shared give you comfort, for her life was rich because of you".

Lee also sends her condolences and wishes you both the best in coping with your loss.

Love you, Fred and Carol

“ Duke & Deb, I'm so sorry to hear about your mom. She was such a great lady! I really enjoyed listening to all her sports stories. I always considered her as the “mother-in-law” I never had. She will be deeply missed. Love you both!

“ Duke & Deb,
My long time friendship with your mother was very special. In 1974 Denny sent me to Graham Rd basement to deliver golf clubs. Wow what a friendship blossomed. She took me to Chicago for the 1st time, on the train for a weekend.
She fell in love with Ryan Michael. He loved Big doe and pat. Only person to sit on his car (ha ha). She allowed me to bring playpen to the house so I could clean and make a little extra cash.
When your dad passed, I remember helping in the shop on Sherman dr.
I played cards with her group when they needed a sub. Tried to get along with "Lucky". Ha ha. Your mom always put him away. Didn't want him to bite any of us.
She came to my rescue when I had pneumonia and Denny was working. Watching both kids.
In short, she has a very special place in my heart ❤️ and I give you our deepest sympathy.
Love to all, Bonnie Lou and the Pro
