“ Dear Sister Liford was a mentor and friend to so many young people... I remember from my childhood through my teens and early twenties spending time with the Lifords and Burtons... but I would specifically stop by Indiana Bible College as a young man in search of himself and poke my head into the cafeteria to talk with her, gain from her counsel, share laughs, and always receive her sage advice on how to be a better version of myself... Our prayers and love to this wonderful Christian family... thank you all for being such an important part of my formative years... Sister Pat will be missed by so many!

After all this time passing by the kitchen, I think of her, wishing I could stop and talk with her. She will always be a big part of IBC and will always be remembered! will see her soon in heaven with our loving Father, the Lord Jesus Christ. sis Vonnie
