“ *I met Pat when we both worked at Davis Homes many years ago. She was wonderful at her job, and put her heart and soul into making happy clients. She was simply the best! She was a great inspiration to me and I admired and respected her so much. She was a work friend that I missed very much when she left to go to another job. Lora - sending love and deepest condolences to the loss of your beautiful Mother.*

“ In November 2018, Pat moved into The Enclave shortly after Margaret and I relocated here in October 2018! We became friends right away, and along with her friend Deb, we strolled our neighborhood street many afternoons/evenings watching the builders complete our Lyster Lane village!! Margaret and I loved our sweet Christian friend, Pat and will miss her greatly! May God bless her family with peace and comfort!!
