“ I am so sorry to hear of the death of Patricia. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a thing of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.

“ Kathy, David, and Carolyn
I am once again so sorry for your loss. We had many good times with your Mom and Dad. Lots of bridge, food, and golf; not to mention jarts, chatting, swimming at Sweetwater and more. God bless you.

“ Kathy, Carolyn, David and families.
We are so very sorry to hear about you mom's passing. As you know your mom and our grandma were very close. Our Uncle Gordon always considered her the sister they never had. Darlene and I always enjoyed her letters and emails and hearing about your family. Your mom was always made time for grandma when she was in town and it meant a lot to her when your mom and Kathy came for grandma's 90th birthday.
Sincerely,
Marlene and Darlene DeVault

“ Dear Kathy, David and Caroline -- I saw, with sadness, your mother's obituary in today's Star -- but seeing her picture brought back a flood of memories from old Dequincy! We (the Homanns) were at 3329, the Marshalls at 3325 (I think) and so on down the block. I think you may know that my folks, Chuck and Betsy, passed away in 2003. Mom was so fond of your mother and I think that they kept in regular contact until mom passed away. You dad and my dad played golf together on occasion, I think. Your mother's bridge-playing, as mentioned in the obit, brings back memories of those large bridge parties -- what I, as a kid, really remember from those evenings was the aroma of the women's perfume and, of all things, cigarette smoke! How things have changed. What I really remember of your mother was that she was such a gentle, soft spoken, person who always showed great interest in me and always wanted to know what was happening in my life. I also saw that your father preceded your mom in death -- we missed that, unfortunately -- what great memories I have of him! Larger than life, big man but also, like your mom, so kind and interested in us kids. I am so sorry that my wife, Carol, and I will be unable to attend the services tomorrow -- we both would have preferred to extend our condolences in person. We still live in Crawfordsville -- 35 years now. I am on Facebook. We live at 320 Kennedy Pl, CVL 47933.
