“ *Paul arnes my great grandfather was the best man I know. He was so kind and helped out with everything we needed. He was very caring to Anna(my great grandma). I miss him so much but I know he was a great and very bright man. He was a very good christian and he had faith in his church. I remember one time we were going to my uncles house for a family get together and we were on our way and my sister and me felt cold in the car and the ac wasn't on so we looked in the back turns out the trunk was still opened when we used it before we left. so we had to stop and close it. Papa paul was so confused. lol he was the best and prayers for anna and the family.*

“ *What can I say about Paul? Thousands of times Elaine and I have talked about the tremendous help Paul was when we built our house. Paul drew the plans, and everyone who saw them said they had never seen house plans with so much detail. He was so invaluable to the success of our building this house. Elaine and I were two empty headed people who knew nothing about being a general contractor, but Paul gave us many pointers to help us out. We will forever be indebted to Paul for his assistance. We can never again look at our beautiful home without thinking of him.*

“ *Maybe it was just a coincidence that I fixed computers for quite a few folks that were related to Paul, but all of them seemed to share one characteristic; just good people to know! It was my honor to get so many referrals from such a family. For some reason, when visiting Paul, it seemed to last a lot longer than really necessary to fix his computer. I just liked the company. A lot.*

“ Paul was a wonderful brother-in-law & uncle to the Spall family! He was a great Christian example who loved God & his family very much. We were privileged to vacation together & create many great memories. He was always enjoyable to be with & we will miss him very much! Our prayers are with Anna & family for God to comfort their hearts.

I can't remember church life without Paul and Anna Arnes, their parents, brother James, children, the whole extended family. I've always loved you. Please accept my sympathy and prayers for a great loss.
