“ *Just a note to all Paul's family and friends. My wife and I were privileged to know Paul and others of the family through the little church we pastored for one year in Buckhannon. Since then we have been on the mission field in Indonesia for 43 years.*

So, we missed a lot of Paul's life, but were able to keep up a little even though we were half way around the world much of the time. We know he had some difficult times, as we all do, but we were so happy to be his friends! We pray for all of you who were family or friends or acquaintances. May you have learned some things from him, and may the Lord bless you and meet whatever special needs you have, now and in the future.

A few of our favorite Scripture verses: John 3:16; Proverbs 3:5,6, James 1:5; I John 1:9. We encourage all believers to read, think about, and follow through on Ephesians 5:15-17. There are such great blessings in store for those who truly know the Lord, and especially as we are obedient to Him! :)

“ Since we have been friends for over 40 years, Paul's passing leaves a huge hole in my heart and in m life. It is so hard to imagine a world without him in it, but I am so grateful that he was a part of my life. Even though we had several years that we did not keep in touch, when we re-connected, we took up right where we left off. I have so many wonderful memories of spending time with him, and I will rely on those to see me through the loss of my friend. If love could have kept him here, he would never have to go, because I know that he was loved not only by his wonderful family, but by everyone who had the blessing of knowing him and having him for a friend. May God Bless and comfort everyone who loved him. I will always smile when I think of him.

“ Paul was always there for my Mom, myself, & anyone who needed anything he could give. We had a good time "thrift shopping" & visiting whenever I came to town. He will missed ENORMOUSLY by all of our family. PEACE OUT, as Paul would say.

“ I met PJ & Susan through Di Strieter Gunnell when they were visiting one summer. Sure had fun times with them. PJ and I texted old memories in the past year. He also texted about his kids and grandkids. He was very proud of them.

*Paul was my cousin and good friend. We shared the joy of grandchildren and the pain that comes from family dysfunction. He had a huge heart for those who struggle. Thank you, Paul, for reaching out to the Maltby family over the past 5 years. We felt the touch of God through you.
Praying that your family finds comfort in knowing that "to be absent from the body is to be present with the Lord".*
