“ *Paul, you will be missed. I worked with him for 9 years at Hamilton Center. We worked at Parkview together before it was closed; and we followed the clients to the southside and westside of Indy. Paul was dedicated, honest, and had amazing dad jokes! He was so very supportive after I lost my father and had other life circumstances happen; he would check in, take on clients if needed and always tried to cheer up the room. To his family, I am so very sorry for your loss. My heart breaks for you and I wish you all the love on your healing journey.*
