“ *Thank you for sharing your Mother with me Pam, Occasionally doing Paula's hair I could see and enjoy her vibrant, playful, generous, caring character but will always remember her deep love and adoration for her family as a doting Mother, Grandmother, Great Grandmother and Spouse. May God bring comfort to all of Paula's family through the cherished memories and love given and shared throughout her lifetime with you all. “ Sad to hear of the passing of Mrs. Armstrong as us neighbors called her. Remember her sun tanning in the back yard and always having that golden tan. She was kind and fun to us kids. May you cherish all your precious memories of her.  
My sincere sympathy to you all.

“ *Fred and family,  
Words cannot adequately express the sadness we felt when we heard of Paula's illness and her passing. We met you both about 30 years ago at the Boardwalk in Manasota Key. Little did we know then that we could become life long friends. We are so grateful that we had the opportunity to show you both (and Anita) some of the beauty of our part of the world. Paula was like a mother to us in some ways and a girlfriend in so many other ways. It was always so much fun to go to the White Elephant and watch the two of you dance up a storm! We have so many happy memories of time spent with you both. We will be thinking about you over the next few difficult days and will keep you in our prayers. Love to you all.*
