“ My dear grandma . I miss you already so much ! But I know you are in a better place and no longer in pain ! You were the model grandmother for every grandchild out there . Loving , caring , supportive , fun, happy , model person , everyone loved you after they met you , you made lasting impressions on everyone . And very importantly you brought myself and others to god and I will be forever great flu to you for that . If I can be half the woman you were I would be so thankful to be here because of you ! I promise to take care of Mona and my mom and I promise us grand kids will keep each other strong and we will try to don't create dust until me were again ;) I love you grandma with every ounce of love I was thought by my precious Paula Christ ??????

“ Dear Cousins, I am so sorry to hear this sad news. I will miss Paula's infectious laugh and positive energy. Paula Sue was always such a family person and was so kind to my Mom when she was going thru the same illness. I hope you take comfort in the fact that she was a faithful Christian and is now at peace. She will certainly have many family members to greet her at Heaven's gate. Love and prayers are sent your way. Nancy Jo
