“ I met Paulette and Gene Curry in 1990 when I started IBC. They were to become my Calvary adopted parents. I was told to call them Mom and Pap Curry. Mom and Pap opened their hearts and home to me during my stay at IBC. Mom and I had many long chats. I'm so sorry I lost connection with them about 15 years ago but I'm so glad to know that mom and pap are together again with Jesus. I loved it when Pap would sing an old song about Telephone to heaven. I wish I could talk to them and my own mom in Heaven now. I miss them all.

“ Pauletta was one of my favorite cousins. Our mothers were sisters. One of my favorite memories of her was when she invited me to go to Florida with her and the kids on a vacation. I was the designated person, as we traveled, to keep the kids in line. No problem with Debbie and Gary, but Bruce was a different story!! The highlight of my trip, besides spending quality with the family, was stopping at Ft. Knox to see my future husband. I will always be eternally grateful to her for doing that for me. She was a special person in so many ways. I will miss her! Love, Jeanne
