“ Grandma, You have always been close to our family and dear to our hearts. It saddened me to see you grow weaker and weaker knowing that the day we would part would come. You have always been close to God, and you have shared your faith and wisdom with me over the years. You've been there for our family in good times and bad and have always had a caring heart. My tears fall as I write this, but I know you are in a better place and are at peace.. Our soon to be born son, your great grandson, will never be able to meet you, but rest assured he will know what a good person you were and how you are loved by our family. I will miss you dearly, and love you very much. Your Granddaughter Melissa Cochran Bandy(Paris Bandy)
