“ *I met Peggy 29 years ago (when she, Dennis, and I had much less gray hair!) She always made me smile, was one of the most positive people I've ever met, and is someone I did and will always admire. I am so lucky to have known her, and will miss her deeply.*

“Peggy Goldman was a great advocate for people with disabilities and volunteered many hours of her time. I met her when she and Dennis took the Governor's Council's Partners in Policymaking 8 month advocacy training class in 2004. She was the homework queen from her year because she spent so much time outside of class doing research and assignments. She and Dennis Davis got a Habitat house together a few years ago and we wrote an article about it to encourage others to apply for one. Peggy always came to the annual Council conference until last year when she got ill. She will be missed.

“Peggy was not only my Aunt, she was my best friend. She always had an ear to listen, no matter what she was feeling, and she gave the best advise. As an only child, raised by my Grandmother (Peggy's mom) Peggy was more like my sister. She taught me about Rock and Roll and that Elvis was really the king. I will miss her so much. Mostly her willingness to set aside everything to talk with me. I will say this over and over: You are truly blessed if you ever knew anyone with a real Golden Heart, Peggy was mine. I, along with my husband and children, will miss Peggy immensely. Dennis, We love you so much. Peggy will live forever in your heart for us.
