“ Always laughing, told me about her job, that she seemed to love. I remember her love of purses, we compared ours, and she told me how she could not go by a store and see one buying or looking at them. Laughing as we talked about family, such a sweet and happy nature, loved talking and seeing her at France's' house. So sorry to hear this. Our prayers are with the family. She was my cousin on my fathers' side The Clinton Family.
