“ I worked with Trina for years at Southeast MSC, St. Patricks, and the 70,001 Program. She was our office manager. As such, she was the first contact for people coming in for services. We couldn't have had a better representative than Trina. She was the most compassionate, caring person I ever met. She had a heart as big as life, and the capacity to look at the positive in every situation, every person. We kept in touch over the years via Facebook, email, and the occasional lunch. I will miss her. The world is a sadder place without her.

“ I was so saddened by the passing of Trina. I got to know Trina a few years ago when she was a regular caller on the CRN Wild Wild West show with Robert Conrad. Trina and I became facebook friends from the show. I never did get to meet Trina but I considered her a good friend. Trina loved her family and children and she was a beautiful person inside and out. I will miss her posts on facebook. Prayers to her family during this time of sorrows.

“ I went to school with Trina at Scecina. We were in the plays together, probably the choir and sometimes sat at the same lunch table. I can never remember her being unkind or having an unkind thing to say about anyone. What a beautiful soul, I was very saddened to hear about her passing today.
