“ Phil Brown was one of the finest gentlemen that I have ever met. Following his marriage to Ruth Baldwin, he spent the cooler months in Texas, where I first met him in the early 2000s. We played golf together on many occasions, often only the 2 of us. We had many special memories on the course, that included chasing down a fiesta squirrel with Phil's flip phone clinched between his teeth and me witnessing him make a hole-in-one on a difficult 195 yard #16 hole at Glenbrook Golf Course. He will be missed by all of his former golf buddies in Texas.
