

Philip L. Wikle

October 5, 1931 - March 29, 2017

Philip L. Wikle passed away on March 29, 2017 due to complications of Alzheimer's. Philip led a great life having been married to the love of his life Marilyn, who passed away in 1991. He was preceded in death by his oldest son, Duane who had ALS. Philip is survived by his youngest son Brian and his wife Connie and granddaughters, Ashley and Emily.

Philip was born and raised in Young America, IN and served three years in the Air Force before spending his early career living in Logansport as a bank examiner. He later moved to Valparaiso in 1962 and became Vice President of First Federal Savings and Loan until he moved to Security Federal in East Chicago to finish up his banking career. He retired at the age of 62 and lived many years at his beloved lake house on Lake Schafer in Monticello, IN.

Philip was best known for his sense of humor and his dislikes of day light savings time, stop lights, people who don't use their turn signals, the 55 MPH speed limit and Democrats. One last thing he wanted to see before he passed was beer sales on Sunday, but alas he didn't live long enough to see that happen.

The celebration of life will be held, in lieu of service, due to many friends and family not being able to attend because they decided to beat him to the pearly gates. For those that are still among us, please arrive at the Center Church in Galveston, IN at 1475 East 1125 South on Friday, April 7 at 2:00 pm. In lieu of flowers, donations can be made to Alzheimer's Association www.alz.org in tribute of Philip Wikle or PopY.
