“ I have been thinking of Phyliss ever since I heard of her passing. I remember her never ending smiles, her hugs, & her optimism. Phyliss, Preach, my grandson Kristopher, & myself had a wonderful boating trip/rock hunting search here at Raccoon Lake three summers ago. We laughed together & made some beautiful memories. God has his Angel up with him now & we can all rest assured that she suffers no physical pain anymore. May God watch over her family & give Preach the strength he needs to carry him on. With love, Dana
