“ *Phyllis will always be remembered as a dear loyal friend of almost forty years! She taught me many key spiritual things and had a great intimate love relationship with Jesus the king of kings! She took care of her body as it is the temple of the Holy Spirit and encouraged me to do the same. The last time I visited her a few years ago she was walking several miles a day! What a great example! My prayers are with you all, especially Noreen whom I had the honor of meeting and who always took time for Phyllis. God bless you Noreen! When I received this news I wanted to cry but I know Phyllis is where she wanted to be with her Lord and saviour Jesus Christ. I pray we can be as loyal to Jesus as Phyllis was in her life during the good times and bad times. She finished her journey and I just know Jesus is saying to her "Well done my good and faithful servant. May he say the same to us one day! GOD bless you all! MK*

“ Phyllis is my Aunt. I have so many fond memories. The one that stands out the most is her commitment to Christ. She was always asking people if they have a relationship with Christ and was always ready to tell people about Christ.
