“ I will always think back at the how close Phyllis, her sister Bert (one of my Best Friends) and her Mother were. They loved being together. And whatever they were doing there was always a lot of giggling, and teasing going on. It makes my heart happy to know those cute little smiling ladies are all together again in Heaven.

*Peggy, I was so sorry to hear about your mom. I loved her. I can only think of her going and going and going because she was always doing something. She enjoyed life. She loved her family and she always had a smile on her face. She was such a strong woman. She was such a wonderful person. So sorry I missed being there today. She most definitely will be very missed. Hugs to all.*
