“ When I sat down and thought about the Woman that lived for Christ. I also thought about the Virtues Woman. I also thought about Abigail: The woman with beauty and brains. Auntie, was definitely one of many Bible Women who God used for his purposes. I also thought about the Super Mom. I thought about the Prayer Worrier that make you think about something's when you release that phone call, Oh Yes Lord!! OH Yes! I also thought about the Classy Woman. I thought about the Woman that didn't have to lie. She was an honest Queen. I thought about when I received the news about Auntie, my first thought was I know where her beautiful soul will rest without a doubt. I thought about how I am going to miss the kind words from you. I thought about a few weeks ago when Auntie said to me that God is Judging the world and God wants his people back. I thought about when she said to me Janice," Draw Near To God" My last thought is. If I could just be half The Women Queen E Chestang Was.

*God Bless You Auntie. Rest in Peace.  
Your Niece, Janice*

Thanks for being my mentor, imparting wisdom, and the numerous prayers! Absent from the body is to be present with the Lord and I know you are now resting in the arms of our Lord and Savior Jesus Christ! Veronica, you have my support, prayers and condolences! Hold on to all those PRECIOUS memories! A true servant of God gone on to glory! Veronica, when we all get to Heaven, what a day of rejoicing that will be!
