“*Ralph was brilliant. He was my goto guy for algorithms and/or tasks the average guy couldn't handle. I loved debating theology with him. His dreams were hilarious. He will be sorely missed. I look forward to seeing him again in glory.*

“*I worked with Ralph for most of my 10 years at Raytheon. Lots of good stories and laughs with Ralph during work breaks and during the daily grind.*

I've shared many of Ralphs stories with others friends who got to enjoy the laughs as well.

I'm comforted to know Ralph is in heaven now. He will be missed but I'll see him again one day. :)

PS

“*Dear Johnson Family,*

My family's condolences to yours. Although we are somewhat distantly related, my grandmother (Edna Marie Johnson Sanders) was Virgil Johnson's eldest sister, I do recognize the name of Ralph Johnson II and recall when Joyce Johnson passed away. Again, our condolences and peace to your family!
