“ So sad to hear about Ray's passing. It was good to see him the last time at Todd Newton's party. He was quite a character and I'll be forever linked to Ray as we both started our Chrysler Career on the same date/time (April 25, 1988). All be it, it was Ray's 2nd time around and my first! His sense of humor and his unique way of handling customer complaints. As Ray retired a 2nd time with Chrysler, I made it a point to stop by his house in Indy as a way point when testing a customer vehicle (hot soak). It became kind of a tradition. I send my best wishes.. I can't make the visitation or funeral as I'm traveling out of state on those days. Now that Ray is in Heaven, I wonder what extra stuff he has stashed in the trunk of his field car behind those pearly gates! Mark Hinrichsen

“ Ray came into my life briefly many times over the first 50+ years of my life. This past 16 years I have really gotten to know and love the kind, soft spoken, gentle, caring family man he was. I have enjoy many talks and family gathering with him and feel blessed to have had him in my life. I not only call him my beloved cousin, I also call him my very good friend. I will miss him greatly!
