“ *Mr. Fletcher, Rick, & Peggy,*

My heart goes out to you all with the passing of Ms. Becky. She always made me feel welcome when I would visit back in college, like part of the family. It was great being able to talk with her on Facebook from time to time to hear how the family was doing. May God our Creator pour out His Holy Spirit on your whole family through this time and in the days to come. May He bring you peace, comfort, and joy in the memories that will flood your hearts and minds. God Bless you all.
